## **2004 CONGRESS DIRECTOR EXAM PAPER 1 – MOVEMENTS AND SCORING**

### **INSTRUCTIONS**

- ◆ Write in black or blue pen.
- ◆ Answer all questions on the exam paper. Add additional page(s) should there be insufficient space for your answers.
- ◆ You may use any reference material you wish but the paper is expected to be your own work.
- ◆ Hand completed paper to Exam Supervisor at Paper 2. You should also bring - your Law Book
  - QBA Tournament Regulations
  - one other piece of reference material (optional)

### **QUESTION ONE**

Explain the difference between an Average Butler and one scored using the median.

---

---

---

---

---

---

---

---

## **QUESTION TWO**

(a) Design an entry form for the XYZ Bridge Club's one day Graded Pairs. It is not required to be a work of art but must include all essential information. Your entry form may be hand written or done on your computer. Please attach to this paper.

(b) How long before the event must your form be submitted to the State Masterpoint Secretary for approval?

---

(c) Many entry forms say, "Late entries may be accepted at Director's discretion." Describe one situation when you might accept a late entry and one situation when you might not accept a late entry.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## **QUESTION THREE**

Unless another length of time is stipulated, players have 30 minutes from when scores are posted to lodge appeals. You've finished scoring your congress and everyone wants the presentations to be made so they can go home. What do you do?

---

---

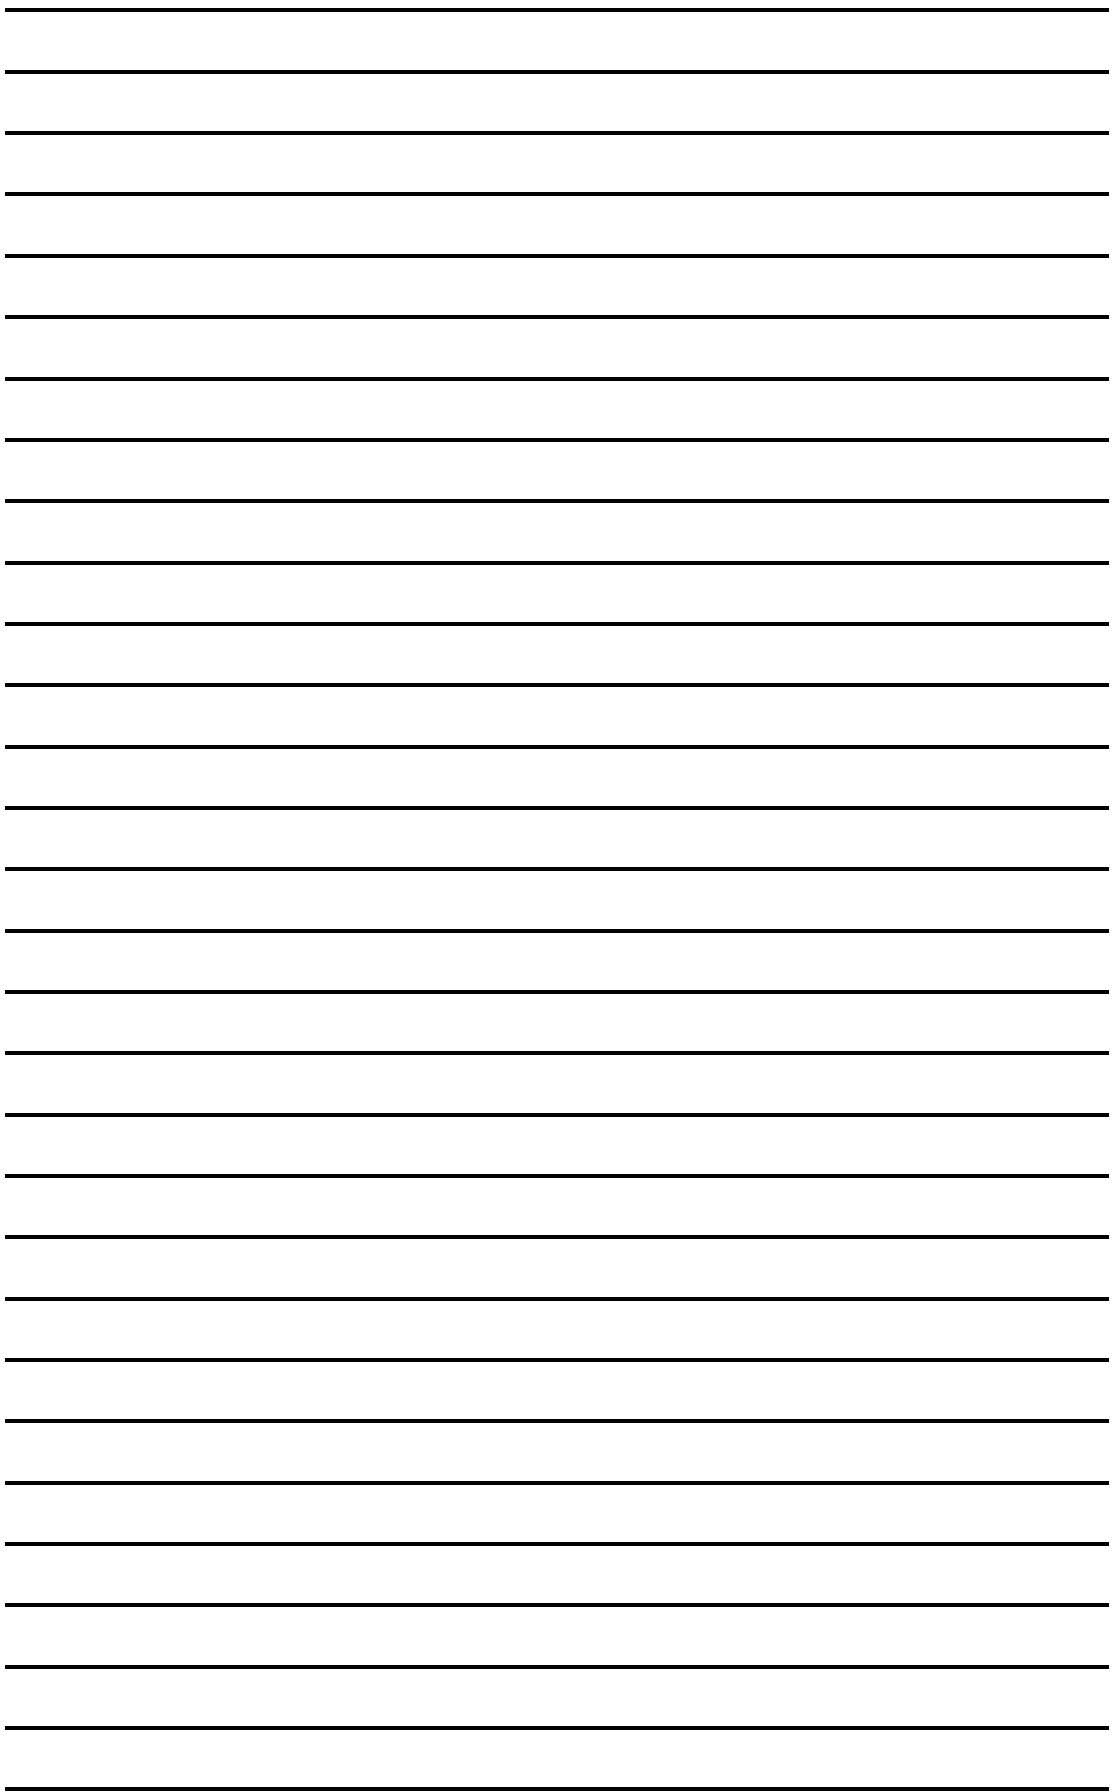

---

---

---

---

**QUESTION FIVE**

(a) You have conducted a one day Swiss Pairs for 32 tables. What information do you send the State Masterpoint Secretary after the event?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

(b) Ideally you will send this information within a few days. Within what time do the QBA Regulations require you to send it?

---

**QUESTION SIX**

The qualifying round of the Club Championship event you are directing has been scored. Three 8 table sections each played 32 boards in a Share & Relay Mitchell movement. You have announced that first and second NS and EW from each section shall qualify for the finals as well as the two best thirds NS and the two best thirds EW.

(a) NS Pair A and NS Pair B in one section are tied for second on 232 matchpoints. Third in the other NS fields are Pair C with 240 and Pair D with 236 matchpoints. Which pairs out of A, B, C, D qualify for the final?

---

---

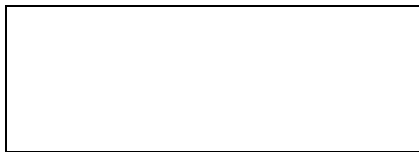

(b) The first three scores in each EW field are:

Section A	Section B	Section C
256	248	262
250	246	246
242 (Pair G)	240 (Pair H)	240 (Pair J)

Which third placegetters go into the final? \_\_\_\_\_

### QUESTION SEVEN

On the diagram show starting positions of teams and boards for a 5 team American Whist Movement playing 8 board matches. Draw arrows to show how each will move after the first match.

## QUESTION EIGHT

You are directing a 28 table Swiss teams event. 7 eight board matches are to be played, 3 matches before lunch, 4 matches after lunch.

You learn shortly before the starting time that Team 19 (drawn to play Team 5 in match one) will not be arriving and that, for some unknown reason, there is no "house team" on stand-by.

Explain how you overcome this problem. Boards are available for whatever course of action you take.

---

---

---

---

---

## QUESTION NINE

(a) What is the imp score for a team which scored -110 at one table for a board which was passed in at the other table?

(b) You have awarded a split score in a teams match. Team A NS receives +140 and Team B EW receives -1100. At the other table the contract is 3S N making 10 tricks for +170.

How many imps will Team A get on this board?

How many imps will Team B get on this board?

## QUESTION ELEVEN

Score the following three boards manually using double match pointing. (Computer scoring is not acceptable.) Where a table score is missing write the score you would award according to the information given.

### BOARD 3 DEALER SOUTH EW VUL

After this board was played at Table 4 it was realized that it was fouled. Pair 7 NS and Pair 4 EW confirm that they had been looking at each other's cards after playing the board and that it was highly likely that they had not returned the cards to their correct pockets. The board is returned to normal before being played at Table 3.

BOARD 3	Dlr S	EW Vul	NS	EW	NS	EW
5C W	10	100		1	1	
3D E	9		110	2	3	
3NT E	8	100		3	5	
5C N X	9		500	4	7	
3NT S	8		50	5	9	
4D S	10	130		6	2	
4C W	10		130	7	4	
3NT E	9		600	8	6	
2NT E	8		120	9	8	
CHECK TOTAL						

### BOARD 4 DEALER WEST ALL VUL

At Table 5 West made 10 tricks as declarer in 4S. The players were returning their cards to the board when they discovered that the board had been placed on the table rotated 90 degrees so North was pointing towards West. West had played the North cards, North with East's etc.

BOARD 4	Dlr W	All Vul	NS	EW	NS	EW
4S N X	9		200	1	9	
3H W	9		140	2	2	
4H W	9	100		3	4	
4S N	9		100	4	6	
				5	8	
3NT E	8	100		6	1	
4S N	10	620		7	3	
3S N X	9	730		8	5	
3S N	9	140		9	7	
CHECK TOTAL						

**BOARD 17 DEALER NORTH NIL VUL**

A split score is awarded at Table 3 after damage resulted from an infringement: 170 to NS, -100 to EW

At Table 6 the hand had almost been played out when it was discovered that North had only 2 cards left, East had 4 cards left and South and West had 3 cards left.

BOARD 17	Dlr N	Nil Vul	NS	EW	NS	EW
2S E	8		110	1	5	
3H N	10	170		2	7	
				3	9	
3S E	8	50		4	2	
4H N	10	420		5	4	
				6	6	
3NT S	9	400		7	8	
3S E X	8	100		8	1	
3H N	9	140		9	3	
CHECK TOTAL
