

# ABF TEACHER TRAINING WORKSHOPS

## CONTINUING PROFESSIONAL DEVELOPMENT DAY

### FREE WORKSHOP FOR BRIDGE TEACHERS

A free professional development day for bridge teachers who wish to update their skills for intermediate to advanced lessons.

**WHERE:** Queensland Contract Bridge Club  
Ipswich Road, Woolloongabba

**WHEN:** Sunday, November 19  
10am - 3pm

### Introduction to teaching Two Over One Game Force

Two Over One Game Force is a bidding style that will refine parts of Standard. It doesn't mean you change your whole system, you just make it better.

It's quite easy to teach, even to new players, and is less complicated than parts of Standard. Even if you don't play it yourself (yet), the newest addition to the Continuing Professional Development Day program, will help you learn more about 2/1 which has become very popular around the world.

Lunch will be provided.

Participants will receive 10 points towards accreditation. The recommended textbook, *Introduction to Two Over*

To register your attendance, click on this event in the list at [www.abf.com.au/education/workshops](http://www.abf.com.au/education/workshops)

Presenter:  
Joan Butts  
ABF National Teaching  
Coordinator
