

Bridge - Queensland Youth Team Players Wanted for 2017 National Championships

Each year the Queensland Bridge Association sends a Youth Team to compete against Youth Teams from other states as part of the Australian National Championships.

This year the Australian National Championships are being held in Canberra from 16 to 21 July.

The selection process for the Queensland Youth Team considers not only current playing ability and experience, but also the level of commitment to ongoing bridge development and practice, and how an applicant is expected to improve his or her bridge in the near and long term future.

To be eligible to play in this year's Youth Team, a player would typically be born on or after 1 January 1992.

This is a great opportunity to get to know and play against other young bridge players in a friendly, but competitive, atmosphere. The Youth Team members always return from the event with not only improved bridge skills, but tales of the fun they have had.

The Queensland Bridge Association pays for the entry fee, flights, accommodation and a modest daily allowance towards food and incidental costs.

If you (or anyone you know) are interested in seeking selection for the 2017 Queensland Youth Team, please contact any of the following promptly:
