

# BRIDGE SEMINAR with ANDY HUNG

## Bridge Workshop on: **THE COMMON (MIS)USES of DOUBLES!**

♠ The bid (or 'call') that causes the most misunderstandings and frustration in bridge, is the Double. Is it Takeout? Penalty? Values? ♠

♠ Understanding the double is one thing, but *making* the double (with the **right** hand) is also important. Come along to the workshop to better understand how (most) doubles work! ♠

- ♣ Beginning with a lecture including an interactive PowerPoint presentation, followed by hands to play, then with time permitting, a discussion about the hands played
- ♣ Every player will also receive a set of well-presented notes of the seminar which goes into much more detail.
- ♣ An analysis of the played boards will also be provided for all.
